Bowling tea arrangement

The League panel recommends a long-term guideline, that drinks will be provided by the home side during the league games, food can be provided at the discretion of the club. It is good to provide ice (preferably edible) for outdoor games during hot weather.

League calendar 2025.

The League panel is currently reviewing the 2025 league calendar, which outlines the plan for the premier league consisting of 16 teams in 2026. There is a possibility that the Triples League may not be held in the winter of 2025.
