The comments from member clubs were disseminated to all members on 30 Dec 2024. After that, we received feedback from HKSAP requesting to keep the Triples League.

A green panel meeting was held on 24 Jan. VP League will work out a draft fixture as requested in the meeting.

If the Premier League starts in Nov 2026, the League panel will consider organizing a Triples League in early 2026

Re-schedule policy

On several occasions, LCSD may be unable to provide the green even after confirming the booking. In such cases, we will adhere to the following policy.

- a) LBA will collaborate with the venue to reschedule the game in an available slot.
- b) If any club is unable to play, they should follow the standard rescheduling procedure by negotiating with their opponents to agree on a new date and time.
- c) If the agreed date and time are not available at the home venue, the match will be played at a neutral green. The requested party must cover any additional green fees.
- d) If both sides cannot reach an agreement, the match will be played on the date, time, and venue specified in (a).
