**1. Triples League 2010 penalties**

The League Panel made following rulings in accordance with the bye-law. All penalties had been effective in website.

- Deduct 2 points from CLP-B for a registered player played down in M4555. Add 2 points to HKSAP-A for their loss in M4555.
- Deduct 2 points from KBGC-F for a registered player played down in M4572.
- Deduct 2 points from KCC-E for a registered player played down in M4574.
- Deduct 2 points from CLP-C for a registered player played down in M4582.
- Deduct 2 points from KCC-E for a registered player played down in M4671.
- Deduct 2 points from KCC-E for a registered player played down in M4772. Add 2 points to KBGC-F for their loss in M4772.
- Deduct 2 points from CLP-B for a registered player played down in M4854.

- Deduct 1 point from USRC-A for their late verification in M5013.
- Deduct 0.5 point from IRC-C for an unmatched player name in M5085.

**2. Dispute from CLP about the rulings of a registered player played down**

CLP did not submit the registered players list before its fourth match. The panel selected the list for them. In a rescheduled game, one of the registered players playing down and League panel deducted them 2 points in accordance with the bye-law.

With the dispute, the Panel re-studied the case and had the recommendations:

- o Communication fault and late submission are not acceptable excuses.
- o It was the Convenor's responsibility to register the players. If nil input, the panel had full authority to select the list for them.
- o Whether the game played in advance is irrelevant to the breaches of bye-law.
- o The Panel recommended to sustain the ruling, that is deduct 2 points from CLP-B.

**3. Triples League 2010**

The competitions completed successfully. Thanks to the convenors for their cooperation and arrangement. Congratulations to the winners:

**HONG KONG SQUAD 2011-2012**

**21 March 2011**

To All Convenors :

The following players No. 1 to 15 have attained a position in the Hong Kong Squad for this current bowling year. During this period, only squad members will be chosen to represent Hong Kong in International competitions except World Cup & World Champion of Champions.

As HKLBA didn't receive any enquiry or objection for the National squad training camp (NSTC) notice issue date (7 January 2011). All squad members are required to attend 80% of the NSTC. For those who do not meet the requirement, their selection priority will be lower than those who attend 80% of the NSTC.
