Hong Kong Lawn Bowls Association
Council Meeting on 28 October 2013 at IRC
Notes from VP National League

League Panel rulings

Deduct 4 points from CELBC-B for their failure to arrive in M2981. The case was under dispute and was handled by Disciplinary Panel.

Triples League 2013

The fixture v2 is final.

All rearranged games should be fixed by 13 Dec. Home sides should make their offers by 29 Nov.

The League Panel rejected CdeR request to change the green after the fixture was finalized.

Recommendation on the bye-law changes

The League Panel recommended to change the bye-law 2.8.a and 2.8.e to extend the period for postponed game from 15 days to 22 days.

The League Panel recommended to add a new bye-laws 2.17 on provision of green. As a guideline, a booking of 4 hours should be reasonably sufficient for a league game.

WSC proposal on start time of Sunday games

The proposal was circulated to all convenors for comment. Will discuss it in next Council meeting.

National Championships Panel Report on 28th October 2013

Knock-out Singles on 15th Dec (Women) and 5th Jan (Men)

1. Thanks to private clubs support to allow the M & W KOS to take place on grass greens, namely CCC, CdeR, FC, HKFC, IRC, KBGC, KCC & USRC.
2. Detailed arrangement including format of play and finals venues will be finalized after close of entries on 10th Nov.

Bowler Enquiries

1. Men Fours Match 218 HKJC v TPLBC:– HKJC nominated TP as home green. HKJC changed to SLY due to no rink at TP. TPLBC asked if SLY is neutral venue as it is HKJC's league home. The panel upheld the prevailing interpretation of clause 6.9.g and h of Bye-laws and ruled that SLY was a neutral venue.
2. Men Fours Match 307 GLBC v CdeR:– CdeR used one substitute in Round 2 to replace its Second. CdeR intended to use same substitute in Round 3 to replace its Lead. CdeR asked which player would lose its position in the team. The panel upheld the prevailing application of clause 6.7.e and ruled that the player who misses the game when the substitute plays his second game would lose its position.

In my observation players perform quite well in round robin stage but they show anxious in the quarter finals when they are facing competitions with higher performance.
