Subject 主題	Players are not allowed to move around different sides in same division
Proposed changes 建議更新內容	<p>2.11. Sides from One Member in Same Division</p> <p>2.11.a When two or more sides from a Club play in the same division, the sides will be entered according to their rankings as defined by Bye-laws 3.1.b and 4.1.b. Registered or Tied players not playing for other sides in same division</p> <p>2.11.b Once a bowler plays in a match, he is not allowed to play for any other side in the same division.</p> <p>Remove bye-law 3.6.d A registered player is not allowed to play in any other side in the same division. [this bye-law is redundant after the introduction of 2.11.b]</p> <p>3.7.b. A player is tied once the player completes his 8th match. Any player who has become tied to a side in accordance with Bye-law 3.7.a shall not play for any side ranked lower in accordance with Bye-law 3.1.b. or any other side in same division.</p> <p>Remove bye-law 3.7.c If a player is coming to tie to a side and the club has more than one side in the same division, the player will tie to the side with most games played in that division. If the number of games played in that division are equal, the player will be tied to the side with last game played in that division. [this situation will not occur after the introduction of 2.11.b]</p> <p>3.8.a. Where there is a breach of bye-law 2.11, 3.6, or 3.7 a registered player breaches Bye-law 3.6. or a tied player breaches Bye-law 3.7., the side for which he plays shall have 2 points deducted from its match score. The opposing side shall have 2 points added if the team in which the defaulting player was the opponent lost and one point added if the team drew.</p> <p>(same changes apply to Triples League bye-laws 4.6.d, 4.7.b, 4.7.c and 4.8.a)</p>
Background 背景	Some member club have more than one side in the same division, players can play for other sides before they are tied/registered. As a result, they may play against same opponent more than once. This creates an unfair situation to the opponents.
Benefits 好處	<p>To avoid unnecessary argument and maintain a fair play environment to all the opponents.</p> <p>With the introduction of 2.11.b, the argument on whether the champion skip in a division should be calculated by side only or by all matches in the division will no longer exist.</p>
