Message from the President of the HKLLBA

1989/90 has been a very busy year for the Association with entries in three International Competitions. In June of 1989 the 4th World Blind Bowls Tournament was held in Zimbabwe and the HK team of 4 bowlers were most successful returning with 3 silver and 1 Bronze medals. Our congratulations to them for their outstanding performance which resulted in a special Incentive Award for them from ASF & OC.

During July a team travelled to Fiji for the 3rd Pacific Bowls Championships and there our ladies performed extremely well and finished creditable 4ths in the Singles and Pinks and 6th in the Pairs. This was a wonderful effort on their part considering it was a relatively new team representing us at an International event. Their achievements resulted in our Association receiving an Incentive Award from ASF & OC for which we were most grateful. I would also like to congratulate the LBA team at this Championship for coming back with medals.

During January and February of 1990 the XIVth Commonwealth Games were held in Auckland, NZ and the Association were ecstatic with the Bronze medal success of the Pinks team after an exciting playoff with Scotland. My congratulations to Mark McMahon in winning a well deserved in the Singles at the Games.

The outstanding results of this last year have shown that Hong Kong is highly regarded throughout the bowling world and performances at International events has brought credit to us all.

Here at home I give my heart felt thanks to my Executive and General Committee and all the various sub-committees who have as always worked hard and cheerfully for the Association but not forgetting that our main strength will always lie with the members. Sadly this year, we have farewelled many long-standing members who will be missed. However we have welcomed a number of new members including one Club and this surely speaks well for the sport here in Hong Kong.

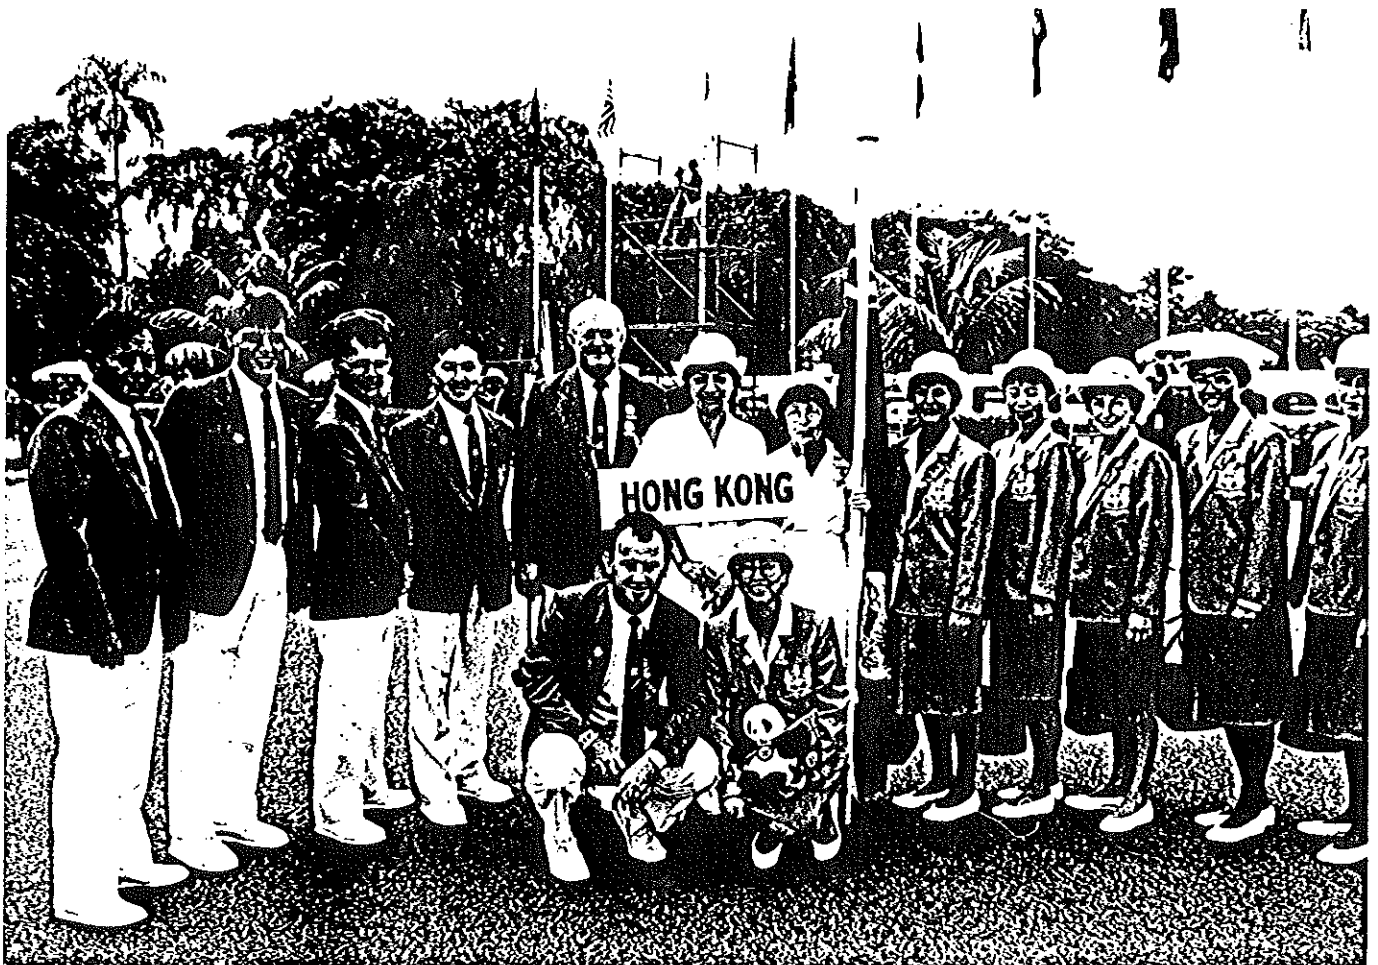

My congratulations to all League and National winners and a special thanks to all Clubs who have made their greens available to us.

To the LBA congratulations for another successful Classic Tournament, a highlight of the bowling year here in Hong Kong. My best wishes to all members of both Associations, may you have a good and happy year of the Horse.

Umpires

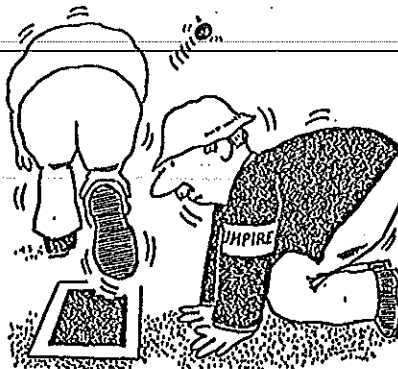

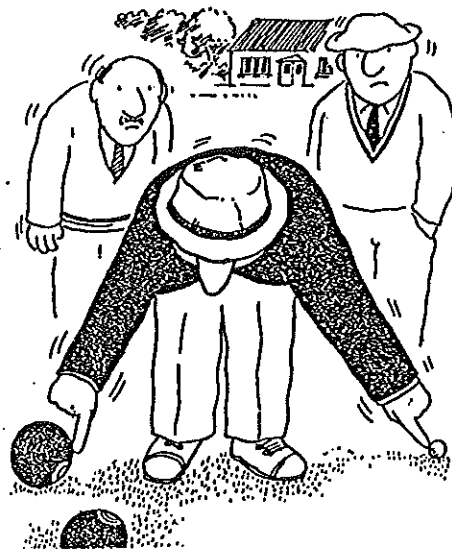

The Association is fortunate in having a dedicated and enthusiastic army of Umpires. With the advent of the Pacific Games, more umpires will be needed and new examinations will be organised in May.

Many thanks to all of the "G force" who umpired so efficiently at the recent Classic: Sandi Zakoske, Linda Smith, Gill Sperring, Helen Young, Larry Parker, Peter Cheung, SC Lo, Len Dick, Brian Poynton, John Taylor, Bill Winn (if any name is missed off - sincere apologies) and last but not least, thanks must go to the Chief Umpire, George Sperring for all his efforts and time during the Classic and throughout the year.

The Umpire shall decide all questions as to the distance of the mat from the ditch and the Jack from the mat.

The Umpire shall measure any shot or shots in dispute and for this purpose shall use a suitable measure. His decision shall be final.

A Player, at the moment of delivering the Jack or his bowl shall have one foot remaining entirely within the confines of the mat. The foot may be in contact with or over the mat.

BOWLS IS A SPORT—SO BEWARE OF Gamesmanship

"Gamesmanship," according to the Oxford dictionary "is the art of winning games by distracting one's opponent." It could be further defined as "tactics of a doubtful or discourteous nature resorted to by a player with a view to obtaining an unfair advantage over his opponent or opponents."

Dick Folkins describes "Gamesmanship" as a subtle means of disturbing your opponent, in particular by upsetting his concentration. Many of us may subconsciously use gamesmanship to some degree. There are a few, however, who use it as a regular weapon, and I think this is unsportsmanlike. It may be excessive talking, the manner in which something is said, or the timing of the conversation. It may also be excessive following of the bowls, deliberate slow play, or yelling at the marker to move when he is in a perfectly legal position.

There are some bowlers, unfortunately, who forget that it is the game that counts; they think only for themselves and play only for themselves.

Who doesn't know the bowler who stands beside his opponent on the mat and then, just as he is about to deliver the bowl, moves away or picks up his bowl? Or the bowler who deliberately goes on to the

bank to fetch something and then jumps back on the green when the other man starts his delivery?

Who doesn't know the bowler who moves about the back of the head during play? Or who talks loud thus breaking his opponent's concentration? Or the singles player who has to know from the marker the position of every bowl in the head and then goes up to check things for himself?

Who doesn't know the hundred and one ways of gamesmanship by which your attention can be distracted and by which you can lose the game?

Gamesmanship itself, however, must not be equated with anything as distasteful as deliberate cheating which fortunately, occurs very rarely.

To let the gamesman irritate you and force you to lose the game is stupid to the extreme. The easiest way to handle him is to ignore him and to carry on as though he and his antics don't exist. The chances are that he will defeat himself.

This is the best, the only answer to gamesmanship!

The 1990 COMMONWEALTH GAMES
AUCKLAND. NEW ZEALAND

The ladies team was made up of:

Singles: Rosemary McMahon	Fours: Eva Ho
	Angela Chau
Pairs: Gill Sperring	Naty Rozario
Jo Hollis	Jenny Wallis (TC)

Manageress: Ena Turner

The mens team was made up of

Singles: Mark McMahon	Fours: Mel Stewart
	Roger Pickford
Pairs: Ian Ho	Bill McMahon
Noel Kennedy	Ken Wallis (SKIP)

Manager: John Armitage

The games were held from the 24th January to February 3rd and the opening ceremony alone was worth the trouble in getting to New Zealand. Some of the African countries had flown via London transiting in Tokyo before arriving at Auckland. The opening ceremony told the history of New Zealand in colourfull dance sequences with the Maori warriors in full force; flags, dancers from all over the world in their national costumes, school children moving shiny blue silks simulating the waves of the Tasman Sea that were crossed by the settlers many years ago, all combined together to make a spectacle that will long be remembered.

The host club was the Carlton Bowling Green Club and nothing was too much trouble for their members, their kindness and support on the greens was second to none

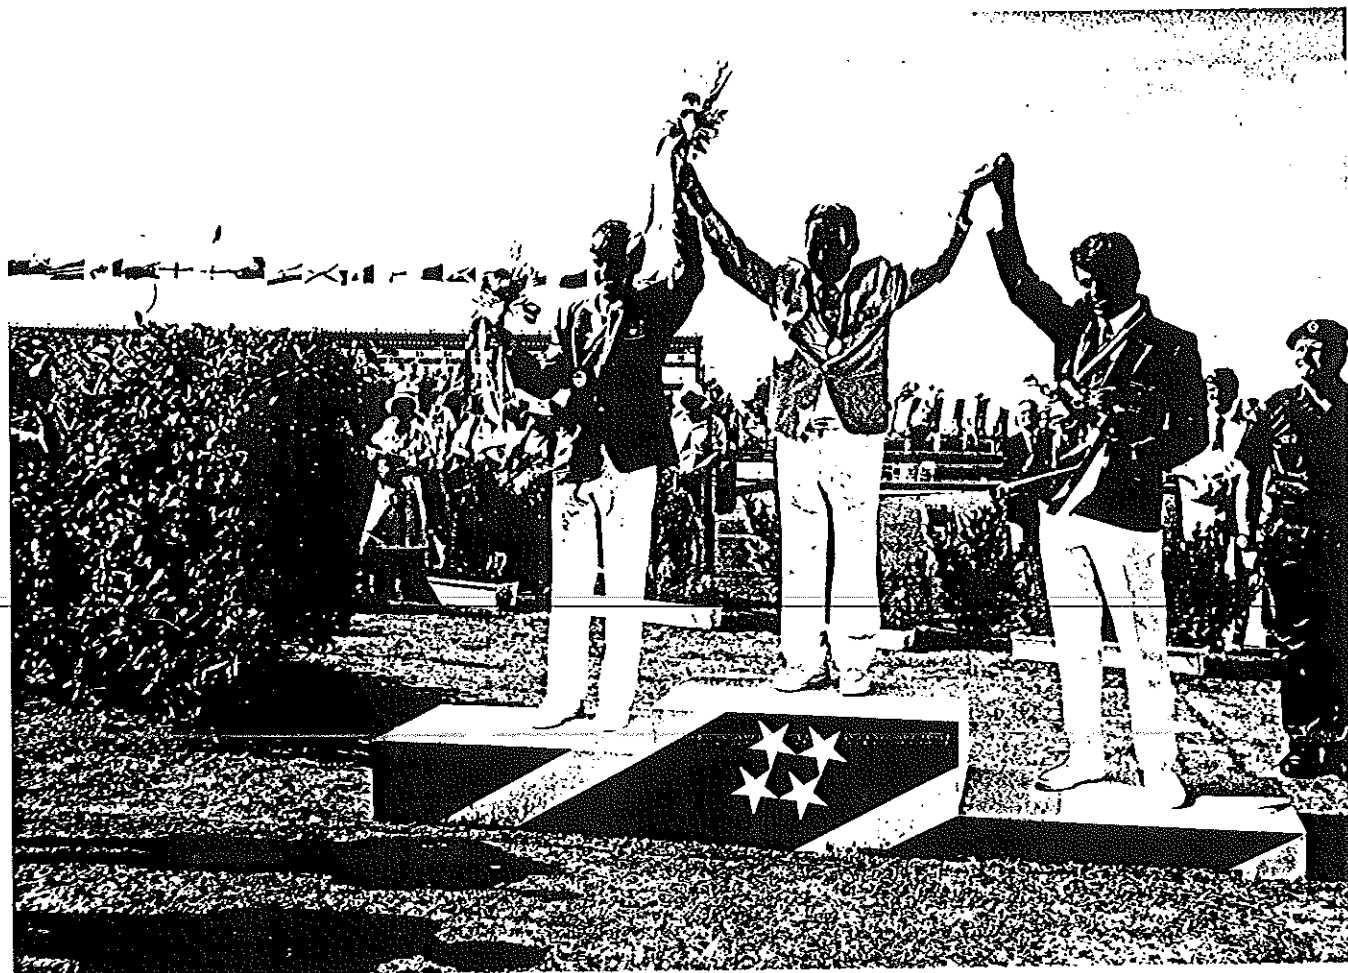

The venue for the bowls was the Pakuranga Mixed Bowls Club although some pairs games were played at Mt Wellington Bowls Club a few miles away. The greens were averaging 16 seconds and players had to contend with fierce gusts of crosswinds that were stronger at each corner opening. The teams needed the extra time before the games started to acclimatise themselves to the vagaries of the Auckland weather. A strong sun block was needed, moisturiser for wind burn, anoraks, umbrellas and sun hats were the order of the day as Auckland seemed to have its four seasons all at once!. All the team members played well throughout and they were very unlucky in not being able to bring back more medals. There was a good rapport within the teams, which was evident to spectators, in the way they all encouraged each other

The bowling matches, the ceremonies, the friendliness of the Kiwis and the efficient organisation all helped to make the teams and supporters alike feel very privileged to have been a part of it

Classic

The HK BANK International Bowls Classic was again held in November with the usual high standard of bowls being played throughout.

This year saw the inclusion of Israel and USA whose representatives proved to be not only able bowlers but gentlemen as well. Nick Christiansen (USA) received the Personality Award, we do not see many bowlers with long curly blond hair in the mens section!

A buffet night was held in the grounds of the USRC instead of the usual junk trip, this proved to be an excellent alternative as the weather was kind, the food great and the surroundings very pleasant. Many thanks to Bill McMahon for organising such a good night

Also for the first time, corporate sponsors and a public relations firm were used and although there were a few teething problems, the sponsors generated a considerable amount of money to swell the Association's coffers

A debt of gratitude is owed to Frank Gardiner, who worked so hard to obtain eleven sponsors all on his own. Frank, whose company was also one of the sponsors, and his wife Begira, who donated the gold nuggets, have not only given the LBA funds but their time and enthusiasm to a sport that they do not even play! Many thanks.

The Singles competition was held at the Hong Kong Football Club with Peter Bellis (NZ) emerging as the winner after an exciting final with newcomer Trevor Morris (AUS).

The Pairs competition was held at the Kowloon Bowling Green Club with the eventual winners being Rex Johnstone and Trevor Morris (AUS) over the England pair of Brett Morley and Ron Gass. This made Brett "bridesmaid" for the second year running and he is beginning to get a complex that he will never win the Classic in Hong Kong.

The tournament as usual was the highlight of the bowling calendar, but events such as these do not organise themselves. Thanks must go to the Organising Committee of Keith Bosley, Gary McCarthy, Roger Pickford, Ken Wallis, John Taylor, Bill McMahon, Tony Slessor, Yusef Karamdin, Harry Turner, George Sperring.

The Association would also like to thank John Lane and Jimmy Kellock for all their help with the organisation at KBGC.

And lastly, many thanks to all our sponsors and advertisers who helped to make this tournament second to none.

FAH WONG SINGLES 1989

The Fah Wong Singles was held at the United Services Recreation Club on Wednesday January 17th 1990 with a total of thirteen entries from the Hong Kong Football Club, Craigengower Cricket Club and the Hong Kong Cricket Club. The annual get together was organised by Ronson Au and enjoyed by all concerned. The competition was won by Liu Kwong Sang (CCC) who received a bottle of Club brandy with the runner up being Kee Sang (HKFC) who received a bottle of Martell brandy. A Chinese meal was taken afterwards at the Hong Kong Chinese Civil Servants restaurant at King's Park. The HKLBA would like to thank Ronson for his organisation of the event and also all the Fah Wongs for their help throughout the year.
